Annual Day Report 2019

Honorable Guest of honour, Respected Chairman, Mr. B. Nitish Harihar, Respected Pro Chairman, Mrs. Aishwarya Nitish, Respected Vice Chairman & Secretary, Mr. G. Prabakaran, Heads of various Departments, Dignified guests, Parents, Staffs, Students, members of the press and other invitees a very good morning to you all.

I feel privileged to stand before you on this happy occasion to present the Annual Report for the year 2018 - 19.

We at NSIT as a team, strive to educate the deserving students towards excellence with ethics. This year we have achieved our own goals in various areas like Academics, Research & Development, Co-curricular, extra – curricular CSR activities and Placements.

Our Vision

With Education and Ethics, we create Excellence.

The college aims to impart quality education combined with ethical values, the two qualities that are in congruence with the nation's development. The vision of the college is to produce engineers who think 'out of the box' and can act as a cohesive link between the administrative and executive machinery of the country

Our Mission

NSIT was started with a mission as an institution of technical education, “To impart value based education and to train technically competent & ethically strong professionals in order to meet the challenges of the rapidly changing technological environment”. We also provide ample opportunities for developing the student’s extracurricular skills, creativity, innovation, leadership, team work and help them to become outstanding individuals.

Quality Policy

We at Narasu's Sarathy Institute of Technology will strive to inculcate sound technical knowledge by providing quality education and training in engineering and technology in a congenial and disciplined environment. We are committed to develop skills, knowledge and

the right attitude among the students to meet the expectations of the industries, parents and society with continual improvement through dedicated teamwork. A good feedback mechanism is formed by means of continuous assessment program which ensures the quality of our academic system.

Academic Programmes:

At NSIT we offer six UG B.E. Civil, ECE, CSE, EEE, MECH, BTech IT & 2 PG Programs. M.E. CSE, VLSI

Academic Achievements:

“Education is the most powerful weapon which you can use to save the world.” – Nelson Mandela

We are privileged to be the educators who can create the change makers of this world. We at NSIT believe that education is not just completing the syllabus and getting a good pass percentage.

Rather we also strive to create engineers who are industry ready with an ethically balanced foundation. So, our students are given an education beyond classrooms in various methods like live projects, Industrial visits, Internships, workshops, Guest lectures, Technical and Non technical student centric clubs and competitions etc.

I am proud to say that, we as a young institution we have 25 University Ranks. Our students have given a good overall pass percentage of 60% and also I am proud to declare that we are in the best place in state and first in the region i.e. Salem, Dharmapuri, Krishnagiri, Namakkal and Erode out off 200 Engineering Colleges.

Students Achievements:

It gives me an immense pleasure that the students of NSIT have an impact not only in the field of Academics but also in co-curricular activities and have won many prizes in many inter college events including both technical, non technical and sports.

Value Added Courses:

Our students are exposed to technical skills beyond their curriculum with the help of certification courses. They have attended 18 value added courses in their core subjects such as:

- Auto CAD – Auto Desk
- CNC & CIM – MTAB Technology
- ANSYS – CADD Centre
- PCB Design – Micro Sun Technology
- ORCAD Pspice – LIVEWIRE
- Raspberry Pi & Arduino – Enthu Technology
- MATLAB
- C / C++ - IBM
- JAVA / .NET
- Microsoft Certifications
- Oracle Certifications
- Cisco Certifications
- Amazon Web Designing Certification

- Advanced Process Automation - Robotic

In Plant Training / Internships:

Our students are encouraged to go for in-plant training and internship programmes during their semester holidays for knowledge gathering and real time final year projects. They have visited various Government and Private sector industries to gain knowledge and experience.

Surya Infomatics, Align Associates, Vernalis, Code Bind Technologies, Mettur Thermal Power Station, SAIL Salem, Megawin Switch Gears, BSNL – Salem, SPB Paper Company Pvt. Ltd., Ashok Leyland, National Textile Corporation, Texstar Plastic Injection Moulding, India Cemeta, Power Systems, Swelect Energy Systems, TNEB, Salem, are some of the places visited by them.

STAFF ACHIEVEMENTS

In order to update the current technological skills, our faculties from various departments have attended various events such as workshop, seminar, Conference, Orientation Programmes, FDP and published many Journals and Research articles.

Symposiums & National Level Conference:

NSIT curriculum encourages various departments of our college to conduct National Level Technical Symposiums every year for knowledge sharing enhancement. The Departments of ECE, CSE, EEE, IT, Mechanical and Civil of NSIT has organized their National Level Technical Symposiums - Anuttara, Shrishti, Agni, Spandana and Struttura respectively, were held at our college premises.

We also plan to conduct an all Departments National Level Conference and S&H symposium in the month of March 2019

Events conducted at NSIT:

I am glad to say that more than 105 technical events like workshops, Seminars and Guest Lectures were conducted at our campus during this academic year on diverse topics by renowned resource persons from the industry and academics stream.

Events organized by Departments

Industry Institute Interaction Cell:

NSIT works very closely with the industry to better understand the industrial needs and expectations from fresh graduates. In this regard each Department has signed about 6 MoUs with various industries for knowledge sharing and placement opportunities.

MOU Details

Totally 28 MOUs were signed and many activities are conducted under these MOUs for the beneficial of students.

college, scientists from the state and national faculties. This event celebration has provided a real platform for various new comer scientists to fix their feet and bright their career in the science profession.

For this academic year, Dr.Akella Sivaramakrishna, School of Advance Science, VIT University, Vellore inaugurated the science day celebrations.

Industrial Visit:

To encourage a class beyond classrooms and to enhance the student's technical knowledge, each Department has arranged and went for a minimum of 2 industrial visits per semester to core industries.

I take this opportunity to thank our Governing Board for their extended support and guidance in enriching the lives of our students.

Technical Clubs:

Each Department inaugurated their course specific technical clubs for students to develop their innovative skills and as a platform to work on their area of interest.
